The Whyte Avenue Art Walk Returns This Friday

The Whyte Avenue Art Walk returns to the streets of Old Strathcona starting Friday July 8th through Sunday July 10th. This fantastic outdoor display of more than 300 artists creating and showcasing their work is back on the Ave after two years of modified events. Participation is open to emerging and established artists from a wide variety of backgrounds and styles. There is sure to be art that appeals to everyone's tastes and budgets. This is a family-friendly, accessible event open for all to enjoy!

"We are thrilled to be able to offer the full Whyte Avenue Art Walk experience again this year after two years of modified events. It feels wonderful to be able to connect in person, walk the streets of Old Strathcona, and meet some of Edmonton's many talented artists seeing their work with your own eyes."

"Whether you are adding to your art collect or thinking about starting art, you will be inspired by the diversity and quality of art found at The Whyte Avenue Art Walk. The Paint Spot is proud to continue a 27-year tradition of lending support and mentorship to the artists and the festival because it makes a significant contribution to the income for artists. Its a huge celebration and showcase for the artistic talent in Edmonton."

- Kim Fjordbotten, owner of The Paint Spot an award-winning art materials store run by artists.

Music returns as part of the 2022 Whyte Avenue Art Walk with an incredible line up of Edmonton musicians curated by March Music and sponsored by the [Old Strathcona Business Association](#). These performances will take place in the gazebo that McIntyre Park is known for. Please see our website for a full list of performers and set times.

[On the Spot Pop Up](#) also returns as part of Whyte Avenue Art Walk this year. This micro market showcases some of the best Makers in Edmonton whose unique work falls outside of the mediums associated with the Art Walk but is skillful all the same. On the Spot will be in the Strathcona Backstreet just off 83 Avenue.

The area will be in full fun activity on early Saturday July 9th with the return of our MLA, Rachel Notley's Pancake Breakfast from 9am until 11am in Wilbert McIntyre Park. To add to the excitement and bustling, indoor and outdoor vendors from the [Old Strathcona Farmers' Market](#) are open from 8am until 3pm.

The Whyte Avenue Art Walk is a great opportunity to spend a day visiting all of what Old Strathcona has to offer with many events, businesses, restaurants and more.

Come join us for the return of the Whyte Avenue Art Walk. It is a spectacle not to be missed!

WHYTE AVENUE ART WALK 2022

ABOUT THE WHYTE AVENUE ART WALK

The first Whyte Avenue Art Walk blossomed in 1995 with a handful of artists and has since grown to an event that draws as many as 40,000 visitors over the course of its three-day run. It is a non-juried event that attracts professional artists, amateurs, and students. People are invited to buy art directly from the artists. All artists, brave enough to share their work, are welcome to participate. Artists are encouraged to bring their supplies and creativity and make art right on site, providing an exciting opportunity for visitors to engage in many creative processes.
